

# *MVTHS Foundation Presents*

## **Interactives and Incentives**

This year the Foundation would like to help the technology department with ViewSonic interactive classroom screens. This will expand the teaching and learning capabilities in those classrooms, giving students a new way of learning. The ViewSonic has more features than a smartboard. Students and teachers can use the touchscreen features to interact with classroom activities both from the view board and their devices. This creates more opportunities for collaboration and engagement for our students.

The Foundation board of directors has committed to funding 10 boards at \$20,000.00.

The second major project the MVTHS Foundation is sponsoring is the Incentive Program to promote student attendance. The foundation and attendance office are teaming up to offer several different rewards for perfect attendance.

- Perfect attendance for the year - receive a MVTHS yearbook!
- Perfect attendance for the First Semester - receive a MVTHS hoodie!
- Perfect attendance for the Second Semester - receive a \$25.00 Gift Card!
- 2 days or less 1st and 2nd Semester - receive a MVTHS perfect attendance T-shirt.
