

MVTHS FOUNDATION MAJOR PROJECT 2025

The Foundation's goal is to help equip every classroom at MVTHS with a ViewSonic Interactive Classroom Screen. In 2025, the Foundation is committed to funding ten more ViewSonic Interactive Classroom Screens at the cost of \$2,000 per screen.

ViewSonic Interactive Classroom Screens:

- *provide state-of-the-art teaching & learning opportunities*
- *offer all students new ways of learning*
- *create exciting opportunities for collaboration & engagement*
- *can be set-up permanently or portably*
- *adapt for use by students with special needs*
